- Grammar & Voca
- Reading
- Listening
- Speaking

+

Intensive training on mock exams

"Precise feedback from professional teachers"

**Highly experienced, professional and talented teachers**

CELLA regularly conducts professional teacher training and development programs to maintain the highest standard from hiring instructors to on going training and management.

**Intensive training from strategy to practice**

TOEIC students who aim to achieve high scores in a short period of time will develop their practical skills through mock tests and receive intensive training for each section.

## CLASS CONTENTS

Class	Subject	Class Description
1:1	Speaking	A Study on how to respond on the computer-based TOEIC speaking official test questions.
1:1	Listening	Listen to the exercise files of the actual official exam and practice predicting answers through listening.
1:1	Reading	Practice reading text, finding important points within a short time, and practicing how to manage the test time.
1:1	Writing	Study sentence structure, along with making sentences by looking at pictures, just like the actual test.
GC	TOEIC Vocabulary	Designed to immerse students in business terminology, vocabulary, and expressions, this course emphasizes the understanding of word families.
GC	TOEIC Grammar	This course involves recognizing and reviewing essential grammar concepts relevant to the exam, with a particular focus on reading comprehension.
GC	TOEIC L/C Techniques & Strategies	This course focuses on identifying and familiarizing students with each section of the test, while developing skills in listening for the main idea, specific information, and details.
GC	TOEIC R/C Techniques & Strategies	This course involves a thorough analysis of each part of the reading test, applying effective techniques and strategies tailored to each section.
GC	Native English	Study various phrases and expressions that are useful for survival English.
GC	Conversational Skills	It is a class to practice basic conversation skills on various topics.

\* **1:1 - MAN to MAN Class**

For newcomers to the TOEIC test, this program familiarizes them with the format. For high scorers, it offers targeted practice to address weaknesses. Intensive learners benefit from one-on-one sessions for precise feedback.

\* **GC - Group Class**

Through group classes, you can practice time distribution and prepare for exams in the same atmosphere as the test site for improving speaking skills interaction with classmates.

 You can also apply to take the official test locally

You can check the authorized test site and date on the [ETS-Hopkins homepage](https://www.ets-hopkins.com).
