# SMEAG HALLOWEEN PARTY

**S**MEAG nailed it with their Halloween event for students and teachers last November 3, 2023. The entire campus transformed into a festive wonderland, with everyone dressed up in costumes, from the spooky to the silly. It was heartwarming to see how the event brought students and teachers together, who all seemed to be having a great time, even while attending their classes. Teachers and students took their creativity to the next level. Some attendees had put effort into their costumes, crafting them from scratch and adding intricate details that made them stand out. Others had opted for store-bought costumes but still managed to showcase their unique style in their chosen outfit. The event itself was a resounding success, with applause for the hard work of SMEAG's event planning team. Everything was well- executed, from decorations to entertainment. Attendees had an unforgettable experience.

In conclusion, SMEAG's Halloween celebration was a testament to their commitment to creating a positive and engaging campus experience for students and teachers.

# VIETNAMESE FAM TOUR

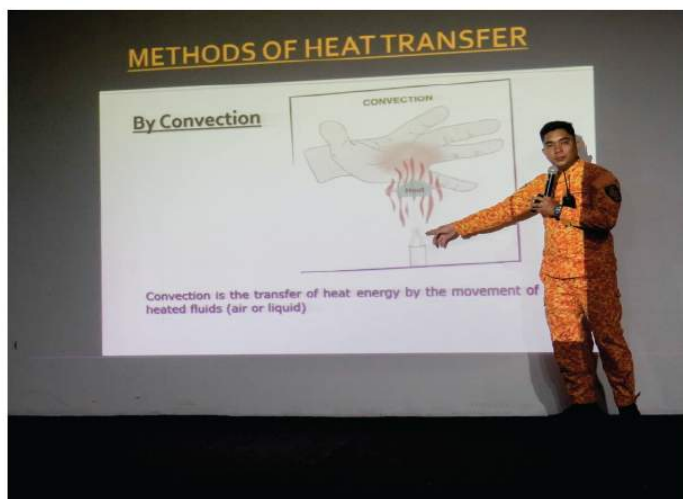

**R**ecently Smeag organized a FAM tour exclusive for Vietnamese agencies. The tour showcased the facilities and exceptional learning opportunities accessible at SMEAG's campuses. The Vietnamese agencies did a comprehensive tour both the Encanto Campus and the Capital SMEAG campus, where they got to experience the cutting-edge technology and tools used to enhance the learning experience at SMEAG.

The agencies also had the opportunity to interact with instructors and gain a deeper understanding of the teaching methodologies employed at the institution. Overall, the FAM tour gives the Vietnamese agencies a unique, hands-on opportunity to experience SMEAG's educational offerings. It was a great success and it helped to strengthen the relationship between SMEAG and the Vietnamese agencies.

# FIRE PREVENTION SEMINAR

To promote safety and preparedness in the workplace, SMEAG Global Education organized a comprehensive Fire Prevention Seminar for their teachers and staff. This seminar aimed to equip participants with an in-depth understanding of the different types of fires, their causes, and the appropriate ways to prevent and respond to them. The seminar covered topics including fire safety regulations, fire prevention measures, evacuation procedures, and the proper usage of fire extinguishers. By attending this seminar, SMEAG teachers and staff gained valuable knowledge and skills to ensure their safety as well as their colleagues in the event of a fire emergency.

# SMEAG ACTIVITY

## VOLLEYBALL & BASKETBALL

**D**uring the SMEAG activity, the students and teachers engaged in two different sports, volleyball and basketball.

They got to experience the thrill of playing these outdoor games and had a lot of fun while doing so. The volleyball games were intense, with both teams putting up a good fight while displaying their skills.

The basketball games were equally exciting, with the students dribbling, passing, and shooting enthusiasm. It was an opportunity for the students to engage in physical activity, improve their coordination, and bond with their peers over a shared love of sports.
